

INSTITUTIONAL DISTINCTIVENESS

In order to give the rural areas nearby access to higher education, this College has been crucial. By encouraging excellence in the educational sector, the College has completed its 20 years of operation. This institution, which is well recognized for its academics, athletics, and other extracurricular activities, has earned its status as a premier institution in the State.

The College began accepting students in April 2002 with the goal of bringing about a profound shift in society by educating first-generation learners from Bhoranj and Bamson's rural communities.

The area where this college is located is blessed with stunning natural scenery, peace, and tranquilly. Our carefully considered strength of character for producing qualified human resource is our distinctive trait, which ensures the maintenance of the long-standing gurukula heritage.

The high ratio of female students enrolled is a manifestation that women empowerment which is the need of the hour is prevalent.

The College began with a modest beginning that led to a fruitful journey and a landmark when it obtained all prerequisite affiliation from Himachal Pradesh University Shimla and UGC Certification of recognition under 2(f) and 12. (B). By ensuring that all students have access to high-quality education, with a focus on students from rural areas, the College is able to establish itself as a reputable educational institution in a variety of academic, athletic, and cultural programmes today.

The College received a B grade from NAAC in May 2016. The teachers and administrative personnel were motivated to deliver their best efforts as a result of their newly acquired status as NAAC accredited institutions, which raised the calibre of the academic, athletic, and cultural offerings. Through RUSA and the UtkrishtMahavidyalaya Yojana, the governments of India and Himachal Pradesh have provided a suitable infrastructure.

The dynamic IQAC, Alumni, PTA, and outstanding work carried out by the numerous committees place the College at the top of its field and make the idea of the individual's complete development a reality.

The students have benefited from yoga and meditation practises that have helped them maintain a healthy body and mind. In addition to succeeding in academics, our students have brought honour to the institution by winning numerous sports and cultural competitions at the state and intercollegiate levels, as well as performing volunteer work through N.S.S. and various Cells and Clubs.

In order to transform this institution into a centre of learning in line with the college vision, the college has made strong progress in its pursuit of quality assurance. The objective of our college is to "dedicate its energy to be responsive to the requirements of an ever-changing society by promoting excellence in academics and the arts," and our faculty members are dedicated to this goal.

Our organisation offers to serve as a catalyst to shift stakeholders' perspectives in a way that will benefit people and the environment.
