10. Suggestions given by students regarding curriculum:

- Increase no. Books in a library.
- All syllabus not covered during the session of covid and exams will be near.
- Lab equipment are needed.
- Teachers are very humble, they truly care about the students.
- About library : Provide personality development and biography related books for students
- I love my college and my dear teachers.
- Sports facility is not good.
- Very good teaching.
- There should be proper arrangement of classes every week.
- This session was very nice I hope next will also it is

- Boys common room must be built for boys.
 - Hindi teacher is not available for us without teacher its difficult for preparing for exam.
- Need of more teachers
- Overall my opinion is that the college is best but some of the little bit famine available in every college.
- You should emphasize the availability and cleanliness of water. That's all I hope you should pay attention to.
- And increase the silence of the library
- Everything is fine, only there is a shortage of teachers, maybe they will be complete after some time.
- I missed "umang or Aagaz" A lot....
- I don't find efficient books related to my course. So, the library should be more modified.
- English the hindi newspaper and current affair magazine monthly should be included in college.
- Very good experience.
- I wish the name of my college should be at the forefront of the entire state.
- I think in the area where Boranj College is located, I feel that there are a lot of students who do not have confidence in themselves and also there is a lack of confidence in the students.
- Similarly, I wish that all the students of the college, inspired by the teachers, participate enthusiastically in every field along with studies and make the name of our college Boranj high.
- Because I think there is something special in every person in the world, and when around 725 minds do something unique, progressive (in studies, in every field) for our college.... then I can say it with full confidence.
- Carefully and give all the facilities to BCA students.
- My suggestion is that the curriculum must be according to the needs of students, not too much burden on the students as well as teachers.

Analysis of feedback on curriculum given by students for the Session 2021-22:

From various suggestion given by the students regarding curriculum for the session 2021-22 the following action was taken:

- The vacant post of mathematics has been fulfilled.
- The Hindi and music teachers are deputed from GC Hamirpur for two days in a week.
- Due to corona virus many activities of college was not functional but now all activities like Aagaz talent hunt, celebration of important days, NSS, R&R and Career Guidance Cell activities organized from time to time.

- The faculty members in the Deptt. Of BCA are appointed as per the requirement.
 - The Hindi and English news paper and magazines are easily available in college library.
 - The carrier guidance cell organizes various lectures on different topics related to students career.
 - College provides good sports and lab facilities to all students.
-
- **Feedback analysis** according to the Table given above for the academic Session 2021-22 24% of students have responded that different components of curriculum like sequence, size of syllabus, its relevance, books in library, interest generated by the teacher, objective of the curriculum and completion of syllabus was found excellent, followed by 29% very good, 34% good, average 8% and 2% poor. Suggestions given by the teachers on curriculum aspects:

- There is a need to change the Final year syllabus in Computer Application and also add project work in the syllabus.
- Well organized curriculum.
- Practical aspects of the curriculum should be enhanced.
- Raise more research money for college researchers.
- Reduce the number of committees. Committee minutes and reports could be cut to a minimum. Don't let your best academician's waste productive time on administration.
- Make sure the teacher stays at least five years - and preferably more for institution's best interests.
- The syllabus may be designed by taking opinion from every teaching faculty.
- That type of education should be imparted in the educational institutions so that the problem of unemployment could be solved completely.
- Suggestions should be taken from concerned teachers while designing the syllabus.
- More practical work in SEC courses.
- At least one more teacher is required in the Commerce Department.
- Syllabus must be revised time to time.
- Lab work, projects etc should be introduced in skill courses .
- Skill enhancement courses should also have practical courses.
- More emphasis should be on mathematical economics.
- Make advanced technology a constant in courses offered.
- There should be entrance test for the students taking admission in first year.
