

# GOVERNMENT COLLEGE BHORANJ (TARKWARI)

District Hamirpur, Himachal Pradesh 177025

## ENVIRONMENT POLICY

At Government College Bhoranj (Tarkwari), we are committed to environmental stewardship and sustainable practices to ensure a greener and healthier future. Our Environment Policy outlines our objectives and commitments towards preserving and protecting the environment.

### OBJECTIVES

- 1. Conservation of Natural Resources:** We strive to minimize our ecological footprint by conserving water, energy, and other natural resources through efficient use and responsible practices.
- 2. Waste Management:** Our college is dedicated to reducing, reusing, and recycling waste. We aim to implement effective waste management strategies to minimize environmental impact.
- 3. Biodiversity Preservation:** We pledge to protect and promote biodiversity within our campus. This includes preserving green spaces, fostering native flora and fauna, and creating awareness about the importance of biodiversity.
- 4. Environmental Education:** We are committed to educating our students and the community about environmental issues, promoting awareness, and encouraging responsible environmental practices.

### COMMITMENTS

- ➔ **Compliance:** Our college adheres to all environmental laws, regulations, and standards to ensure a safe and sustainable environment.
- ➔ **Continuous Improvement:** We continuously assess and improve our environmental performance through regular evaluations, setting measurable goals, and adopting innovative solutions.
- ➔ **Partnerships:** We actively seek collaborations with stakeholders, local communities, and organizations to collectively address environmental challenges and promote sustainable initiatives.
- ➔ **Community Engagement:** We encourage active participation and involvement from our students, faculty, staff, and the community in environmental initiatives and campaigns.

**Join us in our endeavour to create a greener and more sustainable future!**
