● Poor

11. Suggestions given by Teachers:

- There should be need to conduct the workshops at college level regarding latest trends in education.
- Syllabus and practical marks distribution can be changed.
- During the revision of syllabus the faculty must be consulted.
- Syllabus should be based on the latest technology for increasing the productive education...
- Practical duration should be increased.
- During revision of the syllabus opinion of faculties must be taken.
- Great academic environment, but need of more text/reference books in library.
- Great academic environment but more faculties is needed.

Feedback Analysis for the Session 2022-23:

From the analysis of the above feedback it was found out that majority of the teachers were satisfied with the aims and objectives defined for the syllabi, have sufficient number of optional papers, have good balance between theory and practical, contact hours distributed properly and almost all the syllabus is covered during the session . It was found that most of the teachers agreed that there are enough numbers of textbooks/ reference books suiting to the course are available and institution has good ambience and environment for teaching and learning.
