The club aims to raise awareness about energy conservation, promote sustainable practices, and encourage students' active participation in environmental initiatives. We believe that such clubs play a crucial role in fostering a sense of responsibility towards the environment and instilling sustainable habits in the younger generation.

The Energy Club at Government College Bhoranj (Tarkwari) is comprised of the following dedicated members:

1. Prof. Prince Thakur: Assistant Professor in Botany (Convener)

Our aim is to create a platform where students can actively engage with energy-related issues and become advocates for a greener future. We assure you of our utmost dedication to the cause and pledge to work diligently to achieve the objectives set forth by the initiative.
