Para 1: Non-deduction of TDS under provision of GST act amounting to Rs. 0.21 lakh

Section 51 of the GST Act provides that notwithstanding anything to the contrary contained in this Act, the Government may mandate (a) a department or establishment of the Central Government or State Government; or (b) local authority; or (c) Governmental agencies; or (d) such persons or category of persons as may be notified by the Government on the recommendations of the Council, to deduct tax at the rate of two per cent from the payment made or credited to the supplier of taxable goods or services or both including goods obtained from GeM Portal where the total value of such supply, under a contract, exceeds two lakh and fifty thousand rupees (Notification No. 33/2017 – Central Tax (1665-F.T. dt. 18.09.2017) 15th September, 2017).

During test check of records of Principal, Govt. Degree College, Bhoranj it was noticed that Govt. Degree College Bhoranj procured goods exceeding ₹2.50 lakh from multiple suppliers during the audit period as detailed below: -

Sr No	Name of suppliers	Bill no	Amount paid to	TDS @2% to
-------	-------------------	---------	----------------	------------

			suppliers	be deducted
1	Through Gem	100104 dated 25.- 3.3021	350000	7000
2	Though Gem Pentagon Tech infusion	100100 dated 24.03.2021	685580	13710
	Total		1035580	20710

The above cases are only illustrative not exhaustive. All other similar cases may be reviewed at your own level and appropriate action may be taken under intimation to audit. However, the college while making payments amounting to Rs. 10.3 lakh (excluding tax amount) to the said firm had not deducted tax at source amounting to Rs 0. 21lakh under the GST Act @ 2%, which was in contravention of provisions of the provisions of Act ibid. Government Degree College, Bhoranj must rectify the oversight and deduct the applicable TDS from the payments made. The amount should then be remitted to the government as per the due procedures.

In reply to audit memo no 1 dated 28.02.2025, the Principal, GDC Bhoranj stated that due to non-availability of GSTIN No. TDS could not be deducted and in future compliance will be made. The reply is not acceptable on the premise that even after eight years of implementation of GST Act the entity has failed to register for GSTIN. \Needful may be done under intimation to Audit.

Para 2: Irregular procurement of goods (sports items) amounting to Rs. 1.64 lakh

Rule 101 of HPFR 2009 prescribes that Except in cases covered under rules 97 to 99 which related to purchase upto Rs 1 lakh, Procurement Entity shall procure goods under the powers referred to in these rules by following the standard method of obtaining bids in, -

- (a) Advertised Tender System;
- (b) Limited Tender System; and
- (c) Single Tender System.

During scrutiny of records maintained at Govt. Degree College it was noticed that sports items amounting to Rs 1.64 lakhs was procured after obtaining quotations without following the due procedure, in this case through tender enquires were not made and purchase was made after inviting quotation.

In reply to audit memo 2 dated 27.02.25. the principal, GDC Bhoranj stated that limited tender system was adopted to purchase the items from different sellers and advertised tender system could not be adopted due to urgent situation. The reply is not acceptable as the record pertaining to tender enquiries like Notice inviting Tender sent to different suppliers, terms of reference of supply, date and time of submitted bid, bid opening dates etc. were not made available to audit. Hence, this expenditure is inadmissible which needs to be regularised from the competent authority.

Needful may be done under intimation to Audit.

Para 3: Unspent amount of Rs. 9.01 lakh under Amalgamated fund

The Himachal Pradesh Secondary Code vide Para 4.6.3 defines that Amalgamated Fund is a collective fund which is utilized for the student related requirements and activities of the college. The fund is meant to support the student welfare and development. It is utilized for the cultural activities, library related funds such as books, magazines, newspapers, computer software and data management, medical facilities and red cross related activities.

During audit of Principal, Govt. Degree College, bhoranj it was noticed that funds amounting to Rs. 901333 /- were lying unspent in saving bank account opened under Amalgamated Fund of the Govt. Degree College, Bhoranj as of Dec 2024. These funds had been deposited into saving bank account no. 20159016067 opened in SBI Branch Bhoranj Govt. College under Amalgamated Fund. Average annual contribution of student to this fund as on date is approximately Rs 0.90 lakhs (484 students *180).

These funds had not been disbursed/exhausted or handed over to executing agencies pertaining to students-oriented activities, hence resulting in blockade of funds Rs. 9.01 lakh which was contrary to the provision of Amalgamated funds.

In its reply to audit memo 3, dated 27.02.25 The principal, GDC Bhoranj stated that these funds could not be utilized due to funds received from various other schemes and due to covid, and will soon be utilised for student welfare activities. The reply is not acceptable and entity is recommended to utilise the funds and keep it to the minimum.

Needful may be done under intimation to audit.

Reference Number: OBS-1861786

Para 4: Non-deposit of canteen rent into Govt. Treasury amounting to Rs. 1.68 lakh

Rule 3 of the Himachal Pradesh Financial Rules 2009 stipulates that all moneys received by or on behalf of the Government either as dues of the Government or otherwise for deposit, remittance and withdrawal there from, shall be brought into Government Account immediately, in accordance with such general or special rules as may be issued under the Constitution and under any other rules and instructions of the Government, issued from time to time.

Audit noticed that Government College, Bhoranj has been running a canteen through contractor since 2010-11 and accumulated a corpus amounting to Rs.167911. Rent for the one canteen has been fixed at ₹ 1000 for academic year 2024-25 and being received regularly. The College authority instead of depositing the above-mentioned amount into Government Account is depositing in the saving account (Canteen fund).

Depositing of rent/earnings collected from the buildings constructed out of Government funds into saving account instead of depositing in government account is in contravention of the Financial Rules hence irregular.

In reply to audit memo 4, dated 28.02.25. The Principal GDC Bhoranj accepted the findings and stated that amount will soon be deposited into Govt. head of account and audit will be intimated accordingly. The reply is unacceptable as amount is being accumulated over a period of time and should have been deposited earlier.

Needful may be done under intimation to audit.

Para 5. Irregular payment of general utility charges of Govt. Degree College amounting to Rs. 1.10 lakh out of Utkrisht Mahavidyalaya yojana (UMY) fund

The Government of Himachal Pradesh, through the Secretary, Education (vide letter No. EDN-H(8)A(6) -02/2021, dated 22.02.2021) had conveyed approval and expenditure sanction of ₹1.00 crore for the Government Degree College, Bhoranj, Distt. Hamirpur under the Utkrisht Mahavidyalaya Yojana (UMY). The sanctioned amount of ₹1.00 crore was allocated across seven components (01.02.2023). Scrutiny of records of Utkrisht Mahavidyalaya Yojana of Principal Govt. Degree College, Bhoranj it was observed that out of allocated funds Rs. 1.00 crore was utilised by the College and UC was submitted.

According to Component 7 recurring expenses, a sum of ₹5.00 lakh was specifically earmarked for the recurring expense pertaining to the other six component namely **Academic Upgradation, Research centre, Placement and guidance cell, sports and cultural infrastructure, creation of smart classrooms, complete digitisation of office**. Instead, the funds amounting to Rs 1.10 lakh (Water bill Rs 9049, internet bill Rs 72300, telephone bill Rs20251 and electricity bill Rs 9179) were made. Intended for these purposes the funds were diverted for general utility payment of electricity bill, water bill and internet connection charges, which is considered a clear violation of the intended allocation and is deemed irregular. These charges are of ordinary nature and should have been paid from budget allocated for the office expenses under normal circumstances.

In its reply to audit memo 5, dated 28.02.2025 the principal, GDC Bhoranj stated that funds supplied under component 7 of the UMY Scheme were utilised as per Fin (F)- (A)- (11) 2004 letter Dated 03 June 2014 wherein SOE 05 (E) can be utilised for contingent expenses disregarding the fact that the funds were earmarked for a particular scheme and meant to be utilised as per the specific guidelines of the scheme only, in this case only for the recurring expenses pertaining to others six components only. Hence, the expenditure of routine nature which occur during normal running of the college campus and were paid regularly before the launch of the scheme cannot be admitted in audit. Hence, reply is unacceptable.

Needful may be done under intimation to audit.
