GREEN AUDIT REPORT :-

GREEN AUDIT REPORT

Govt. College Bhoranj (Tarkwari), District Hamirpur, H.P.
Academic Session: 2024–25

1. Introduction

The Green Audit of Govt. College Bhoranj for the academic session **2024–25** was conducted to evaluate the environmental practices, resource usage, and sustainability initiatives of the institution. The audit aims to promote eco-friendly practices, improve environmental performance, and encourage responsible behaviour among staff and students.

The audit focuses on the following key areas:

- Energy Management
- Water Conservation
- Waste Management
- Green Campus Initiatives
- Biodiversity Conservation
- Environmental Awareness Programs

2. Objectives of the Green Audit

1. To assess the current environmental status of the campus.
2. To measure the consumption of energy, water, and other natural resources.
3. To review waste-management practices, including solid, liquid, and e-waste.
4. To evaluate the extent of green cover and biodiversity on campus.
5. To identify gaps and recommend sustainable solutions.
6. To promote a culture of environmental responsibility among campus stakeholders.

3. Methodology

The audit was conducted through:

- On-site inspection and observation
- Interaction with students, faculty, and non-teaching staff
- Inspection of laboratories, classrooms & office spaces
- Review of institutional records (electricity bills, water usage, purchase registers, etc.)
- Assessment of plantation and biodiversity in the campus vicinity

- 12. **Campus area:** 12.6 Acres =50990.39 m²

5. Audit Findings

5.1 Energy Management

- The campus uses **LED** lights, with approximately **95 %** LED coverage.
- Electricity consumption patterns show **stable** trends as compared to the previous year.
- Science laboratories utilize standard electrical equipment following safety and energy-saving protocols.
- **Use of renewable energy** was noted / **Solar panels installed with capacity 35 kW.**
- Energy conservation practices such as switching off lights/fans, maintenance of wiring, and natural lighting are **fully** implemented.

Scope for Improvement:

- Replacement of remaining non-LED Tubes.
- Awareness drives for optimal energy use.

5.2 Water Management

- The campus receives water from **HP Jal Shakti Dept & bore well.**
- Water consumption is **moderate**, with supply adequate for institutional needs.
- Drinking water units equipped with UV/RO filtration are functional.
- Rainwater harvesting structures **exists**.
- Regular monitoring of leakage and wastage is practiced.

Recommendations:

- Repair rainwater harvesting structures.
- Install low-flow taps to reduce wastage.
- Conduct awareness programmes on water conservation.
- Increase the water storage capacity.

5.3 Waste Management

a. Solid Waste

- Dry and wet waste segregation is **fully** implemented.
- Dustbins are placed at strategic points.
- Composting of biodegradable waste is **available**.

b. Laboratory Waste

- Chemical waste from labs is stored and disposed of per safety standards.
- Use of environmentally safe chemicals is encouraged.

Recommendations:

- Strengthen waste segregation at the source.
- Start campus composting for biodegradable waste.
- Proper mechanism should be developed for the collection and disposal of E-waste.

5.4 Green Campus Initiatives

- The college has rich greenery with **80%** green cover.
- Regular plantation drives are conducted under NSS, R & R and Eco Club.
- Herbal/medicinal plants are present in Ayush Garden, Nav-Grah Vatika and Rashi Vatika.
- Open spaces and lawns are maintained with minimal chemical fertilizers.
- The institute proudly runs a 'Treeversary' programme, under which every staff member celebrates their birthday by planting a tree, contributing to a greener and healthier campus."

Suggested Measures:

- Expand green cover by planting native species.

5.5 Biodiversity Status

- The campus supports a variety of **trees, shrubs & herbs**.
- No endangered flora or fauna reported.
- Open green areas function as small ecosystems conducive to campus biodiversity.

5.6 Environmental Awareness Programs

During the session 2024–25, the institution organised the following:

- Tree plantation drives
- Cleanliness campaigns under Swachh Bharat Abhiyan
- Lectures/seminars on environmental protection

3. Vision, Mission & Objectives

The college has articulated its vision and mission statements, reflecting its commitment to providing quality higher education to rural youth, promoting inclusive learning, and fostering academic excellence. The objectives are aligned with regional needs and national higher education goals.

4. Academic Planning & Curriculum Implementation

4.1 Academic Calendar

- The college prepares its own academic calendar.
- The college also follows the sports and cultural activities calendar prescribed by H.P. University.
- The college follows the teaching and vacation schedule notified by the Directorate of Higher Education.
- Departmental plans and teaching schedules are prepared at the beginning of the session.

4.2 Teaching–Learning Processes

- Syllabi are implemented as per the affiliating university guidelines.
- Most departments maintain teaching plans, attendance records, and internal assessment documentation.
- Student-centric teaching methods—including ICT-based teaching, group discussions, and field-based activities—are adopted though frequency varies across departments.

4.3 Internal Assessment

- IA is conducted per HPU regulations through assignments, tests, and class participation.
- Transparency is maintained by sharing marks with students.

5. Faculty Profile, Development & Research

5.1 Faculty Position

- Number of regular Teachers =24
- Guest Faculty under HEIS=04.
- Overall faculty adequacy is satisfactory, though certain departments face shortages.

5.2 Professional Development

- Faculties participate in orientation, refresher courses, FDPs, workshops, and seminars.
- IQAC encourages participation in professional training.

5.3 Research & Publications

- Some faculty members have research publications in peer-reviewed journals.
- No research projects; scope exists for establishing a stronger research culture.
- Departmental research activities such as student projects and field surveys are conducted in a few departments.

6. Student Support & Progression

6.1 Support Services

- Career Guidance and Counseling Cell is functional; however, regular tracking of student progression needs improvement.
- Scholarships and financial aid are effectively facilitated.

6.2 Co-curricular & Extracurricular Activities

- NSS, R &R, Sports, Cultural Committees, and Eco-Club conduct regular activities.
- Students actively participate in college-level competitions and outreach programs.

6.3 Student Feedback

- Formal feedback is obtained from all the stakeholders i.e. students, faculty members, and Alumni of the institution and analyzed, though follow-up actions need systematic documentation.

7. Infrastructure & Learning Resources

- Classrooms, laboratories, and library facilities are adequate but require periodic upgrades.
- ICT facilities are improving, though additional smart classrooms and digital resources are recommended.
- Playground and sports facilities support student physical development.

8. Governance, Leadership & IQAC Functioning

- The Principal provides academic and administrative leadership.
- IQAC is active in coordinating quality initiatives, preparing AQARs, and organizing seminars/workshops.
- Committee structures (Academic, Examination, Purchase, Discipline, etc.) function effectively.

9. Best Practices Identified

Two new best practices were introduced and adopted:

- *Digital Empowerment and cyber Security Awareness: Bridging Knowledge for a safer & Tech-Savvy Society".*
- *Indigenous Empowering Minds and Spirits: Integrating Stress Management, Values, and Indigenous Wisdom"*
- Active NSS and outreach programmes benefiting local communities
- Use of ICT in teaching by several departments
- Eco-friendly campus initiatives (plantation drives, cleanliness campaigns)

10. Key Strengths

- Dedicated faculty committed to student welfare
- Disciplined student body and supportive community
- Growing use of ICT and blended learning
- Effective coordination between administration and faculty
- Good enrolment from rural and underserved areas

11. Areas of Improvement

- Need for more permanent faculty appointments in certain subjects
- Enhancement of research culture and funded projects
- Expansion of ICT-enabled classrooms and high-speed internet
- Strengthening of departmental documentation and outcome-based education practices
- Increased industry exposure, internships, and skill-based training for students

12. Recommendations

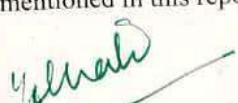

1. Strengthen ICT-enabled teaching by establishing additional smart classrooms.
2. Promote research through minor projects, collaborations, and publication support.
3. Conduct regular FDPs and capacity-building workshops for faculty.
4. Institutionalize a comprehensive student feedback and grievance redress mechanism.
5. Expand library resources including e-books, journals.
6. Enhance career guidance, placement activities, and skill development programmes.
7. Improve infrastructure—laboratories, sports facilities, and campus maintenance.
8. Adopt Outcome-Based Education (OBE) framework across all departments.

13. Conclusion

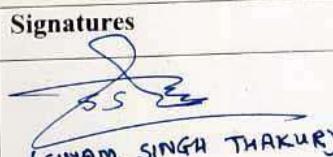

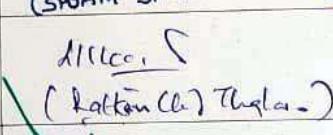

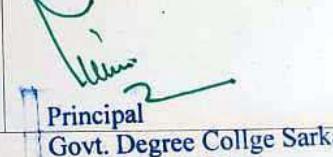

The academic audit concludes that Government College Bhoranj (Tarkwari) is steadily progressing toward improving its academic standards despite certain limitations typical to rural institutions. With continued focus on quality enhancement, faculty development, and

infrastructural strengthening, the college has the potential to further elevate its academic profile and better serve the educational needs of the region.

I agree with the observations of the External Academic Audit Team as mentioned in this report.

(E) Scope of audit

The records i.e. cash books, vouchers, pay bill register, service books, pass books, grant received under various schemes from central/state finance commission along with relevant documents maintained in the office have been test checked during audit for selected months.

(F) Audit party composition & period of audit

The present inspection which includes a general examination and test check on the accounts of the Principal Govt. Degree College, Bhoranj as well as the other activities executed in the college for the period from June 2002 to January 2025 was conducted by an audit party comprising of Sh. Siddharth, AAO (25.02.2025), Sh. Harish Singh AAO (25.02.2025 to 01.03.2025) and Sh. Vinod Kumar, Assistant Supervisor (25.02.2025 to 01.03.2025)).

(G) Sampling procedure

As per order of Headquarter, months 03/04, 03/06, 03/08, 03/10, 03/11 09/12, 03/13, 06/15,03/16, 10/18, 03/19,04/21,03/22,08/23,03/24,12/24 were selected for detailed test audit of the auditee unit, subject to a maximum of three months corresponding to the most recent three financial years for which audit is being conducted.

The cases pointed out in audit are based on the test check of the records conducted by audit. The Department may initiate action to examine similar cases and take necessary corrective action if needed.

(H) Audit Criteria

The audit criteria used for benchmarking the audit findings are as under:

- Government notifications, instructions issued by the GOI/State Government from time to time for implementation of Schemes under Higher Education.
- Departmental Manual/Policies/Rules and regulation;
- Manual/guidelines on Higher Education State Financial Rules;
- Budget/Subsidiary Treasury Rules; and
- Procedures prescribed for monitoring and evaluation of scheme/programmes.

(I) Sources of criteria adopted to evaluate the selected subject matter

The subject matter evaluated on the basis of financial powers delegated to the department, Budget Manual of HP, orders/notifications issued by the government of Himachal Pradesh from time to time, HP Financial Rules, TA rules, Medical Attendant Rules, guidelines of central sponsored schemes issued by the GOI/State Government, etc.

The Inspection Report has been prepared on the basis of information supplied and records made available by the Principal Govt. Degree College Bhoranj Distt. Hamirpur. The Principal Accountant General (Audit) H.P Shimla disclaims any responsibility for misinformation and non-supply of information/records by the Principal Govt. Degree College Bhoranj, Distt. Hamirpur. The results of the current audit have been incorporated in the succeeding paragraphs.

Note: Audit has been conducted in accordance with the applicable Auditing Standards of CAG.

Para 1: Non-deduction of TDS under provision of GST amounting to Rs. 0.21 lakh

Section 51 of the GST Act provides that notwithstanding anything to the contrary contained in this Act, the Government may mandate (a) a department or establishment of the Central Government or State Government; or (b) local authority; or (c) Governmental agencies; or (d) such persons or category of persons as may be notified by the Government on the recommendations of the Council, to deduct tax at the rate of two per cent from the payment made or credited to the supplier of taxable goods or services or both including goods obtained from GeM Portal where the total value of such supply, under a contract, exceeds two lakh and fifty thousand rupees (Notification No. 33/2017 – Central Tax (1665-F.T. dt. 18.09.2017) 15th September, 2017).

During test check of records of Principal, Govt. Degree College, Bhoranj it was noticed that Govt. Degree College Bhoranj procured goods exceeding ₹2.50 lakh from multiple suppliers during the audit period as detailed below: -

Sr No	Name of suppliers	Bill no	Amount paid to suppliers	TDS @2% to be deducted

1	Through Gem	100104 dated 25.- 3.3021	<u>350000</u>	7000
2	Through Gem Pentagon Tech infusion	100100 dated 24.03.2021	<u>685580</u>	13710
	Total		1035580	20710

The above cases are only illustrative not exhaustive. All other similar cases may be reviewed at your own level and appropriate action may be taken under intimation to audit. However, the college while making payments amounting to Rs. 10.3 lakh (excluding tax amount) to the said firm had not deducted tax at source amounting to Rs 0. 21 lakh under the GST Act @ 2%, which was in contravention of provisions of the provisions of Act ibid. Government Degree College, Bhoranj must rectify the oversight and deduct the applicable TDS from the payments made. The amount should then be remitted to the government as per the due procedures.

In reply to audit memo no 1 dated 28.02.2025, the Principal, GDC Bhoranj stated that due to non-availability of GSTIN No. TDS could not be deducted and in future compliance will be made. The reply is not acceptable on the premise that even after eight years of implementation of GST Act the entity has failed to register for GSTIN. \Needful may be done under intimation to Audit.

Para 2: Irregular procurement of goods (sports items) amounting to Rs. 1.64 lakh

Rule 101 of HPFR 2009 prescribes that Except in cases covered under rules 97 to 99 which related to purchase upto Rs 1 lakh, Procurement Entity shall procure goods under the powers referred to in these rules by following the standard method of obtaining bids in, -

- (a) Advertised Tender System;
- (b) Limited Tender System; and
- (c) Single Tender System.

During scrutiny of records maintained at Govt. Degree College it was noticed that sports items amounting to Rs 1.64 lakhs was procured after obtaining quotations without following the due procedure, in this case through tender enquires were not made and purchase was made after inviting quotation.

In replyto audit memo 2dated27.02.25. the principal, GDC Bhoranj stated that limited tender system was adopted to purchase the items from different sellers and advertised tender system could not be adopted due to urgent situation. The reply isnot acceptable as the record pertaining to tender enquiries like Notice inviting Tender sent to different suppliers, terms of reference of supply, date and time of submitted bid, bid opening dates etc. were not made available to audit. Hence, this expenditure is inadmissible which needs to be regularised from the competent authority.

Para3: UnspentamountofRs. 9.01lakhunderAmalgamatedfund

The Himachal Pradesh Secondary Code vide Para 4.6.3defines that Amalgamated Fund is a collective fund which is utilized for the student related requirements and activities of the college. The fund is meant to support the student welfare and development. It is utilized for the cultural activities, library related funds such as books, magazines, newspapers, computer software and data management, medical facilities and red cross related activities.

During audit of Principal, Govt. Degree College, bhoranj it was noticed that funds amounting to Rs.901333/- were lying unspent in saving bank account opened under Amalgamated Fund of the Govt. Degree College, Bhoranj as of Dec 2024. These funds had been deposited into saving bank account no. 20159016067 opened in SBI Branch Bhoranj Govt. College under Amalgamated Fund. Average annual contribution of student to this fund as on date is approximately Rs 0.90 lakhs (484 students *180).

These funds had not been disbursed/exhausted or handed over to executing agencies pertaining to students-oriented activities, hence resulting in blockade of funds Rs. 9.01 lakh which was contrary to the provision of Amalgamated funds.

In its reply to audit memo 3, dated 27.02.25, The principal, GDC Bhoranj stated that these funds could not be utilized due to funds received from various other schemes and due to covid, and will soon be utilised for student welfare activities. The reply is not acceptable and entity is recommended to utilise the funds and keep it to the minimum.

Needful may be done under intimation to audit.

Para 4: Non-deposit of canteen rent into Govt. Treasury amounting to Rs.1.68 lakh

Rule 3 of the Himachal Pradesh Financial Rules 2009 stipulates that all moneys received by or on behalf of the Government either as dues of the Government or otherwise for deposit, remittance and withdrawal there from, shall be brought into Government Account immediately, in accordance with such general or special rules as may be issued under the Constitution and under any other rules and instructions of the Government, issued from time to time.

Audit noticed that Government College, Bhoranj has been running a canteen through contractor since 2010-11 and accumulated a corpus amounting to Rs.167911. Rent for the one canteen has been fixed at ₹ 1000 for academic year 2024-25 and being received regularly. The College authority instead of depositing the above-mentioned amount into Government Account is depositing in the saving account (Canteen fund).

Depositing of rent/earnings collected from the buildings constructed out of Government funds into saving account instead of depositing in government account is in contravention of the Financial Rules hence irregular.

In reply to audit memo 4, dated 28.02.25. The Principal GDC Bhoranj accepted the findings and stated that amount will soon be deposited into Govt. head of account and audit will be intimated accordingly. The reply is unacceptable as amount is being accumulated over a period of time and should have been deposited earlier.

Needful may be done under intimation to audit.

Para5:IrregularpaymentofgeneralutilitychargesofGovt.DegreeCollegeamounting to Rs.

1.10 lakh out of Utkrisht Mahavidyalay yojana (UMY) fund

The Government of Himachal Pradesh, through the Secretary, Education (vide letter No. EDN-H(8)A(6) -02/2021, dated 22.02.2021) had conveyed approval and expenditure sanction of ₹1.00 crore for the Government Degree College, Bhoranj, Distt.Hamirpur under the Utkrisht Mahavidyalaya Yojana (UMY). The sanctioned amount of ₹1.00 crore was allocated across seven components (01.02.2023). Scrutiny of records of Utkrisht Mahavidyalaya Yojna of Principal Govt. Degree College, Bhoranj it was observed that out of allocated funds Rs. 1.00 crore was utilised by the College and UC was submitted.

According to Component 7 recurring expenses, a sum of ₹5.00 lakh was specifically earmarked for the recurring expense pertaining to the other six component namely **Academic Upgradation, Research centre, Placement and guidance cell, sports and cultural infrastructure, creation of smart classrooms, complete digitisation of office**. Instead, the funds amounting to Rs 1.10 lakh ([Water bill Rs 9049](#), [internet bill Rs 72300](#), [telephone bill Rs 20251](#) and electricity bill Rs [9179](#)) were made. Intended for these purposes the funds were diverted for general utility payment of electricity bill, water bill and internet connection charges, which is considered a clear violation of the intended allocation and is deemed irregular. These charges are of ordinary nature and should have been paid from budget allocated for the office expenses under normal circumstances.

[In its reply to audit memo 5](#), dated 28.02.2025 the principal ,GDC Bhoranj stated that funds supplied under component 7 of the UMY Scheme were utilised as per Fin (F)- (A)- (11) 2004 letter Dated 03 June 2014 wherein SOE 05 (E) can be utilised for contingent expenses disregarding the fact that the funds were earmarked for a particular scheme and meant to be utilised as per the specific guidelines of the scheme only, in this case only for the [recurring expenses pertaining to others six components only](#). Hence, the expenditure of routine nature which occur during normal running of the college campus and were paid regularly before the launch of the scheme cannot be admitted in audit. Hence, reply is unacceptable.

Needful may be done under intimation to audit.
