EXAMINATION & EVALUATION SYSTEM

In Choice Based Credit System (CBCS) there is a two component evaluation pattern for all types of courses i.e. End-Year Examination (EYE) and Continuous Comprehensive Assessment (CCA). Student will participate in Lectures, Practicals and Tutorials during his course of study. After successful completion of a course, the student will be awarded specific number of credits and his performance will be evaluated in grade points. The end year examinations account for 70% while CCA accounts for 30% of the total marks. A student will have to pass both the components (i.e. CCA and ESE) separately to become eligible to be declared successful in a course. The minimum passing marks will be 40% in aggregate. However 35% each in internal assessment & final exam. will be compulsory. For Practicals 40% passing marks will be compulsory.

Lectures

The student will participate in lectures according to their course structure and as per the college time table. The lecture will involve classroom teaching based on traditional as well as advance teaching methods.

Tutorials

The tutorials will consist of participatory discussion/ desk work and problem solving sessions that make learners absorb and assimilate more effectively the contents of lecture sessions.

Practicals

This consists of hands on experience, laboratory experiment, field studies, case studies that equip students to acquire the much required skill component.

End-Year Examination (EYE)

The EYE is conducted at the end of a year as per the schedule of HP University Shimla. The EYE will be of 3 hour duration and from whole syllabus of course.

Continuous Comprehensive Assessment (CCA)

The entire academic activities (i.e. attendance, seminars, assignments and Mid-term Test) in which student shall participate during his/her course of study will be taken into consideration across the whole academic year. Only those students will be allowed to appear in EYE, who have been successful in the CCA. CCA is further composed of following sub-components, Mid Tests, Class rooms activities and class Attendance.

Mid-Term Test

There will be one Mid-Term test during the whole Year/ Session the marks obtained in these test shall be added to the CCA. The test shall be conducted as per Guidelines of HPU Shimla.

Classroom Activities

The student will also take part in various classroom activities i.e. Assignments, Presentations, Class Seminars and Quizes related to subject. The subject incharge shall keep a record of all these activities and assess the students accordingly. The classroom activities will account for 10 marks.

Attendance Incentive

1. It is compulsory for students to maintain their attendance above 75% (in lectures, tutorials and practicals). The students having attendance less than 75% will be allowed to take EYE in the year concerned provided that those having between 74% and 65% attendance will apply for exemption in a prescribed form accompanied by clear reason(s) for absence to the authorized functionaries.
2. Provided that those having between 64% and 50% attendance will apply for exemption in a prescribed form accompanied by a Medical Certificate from a Government Hospital.
3. Provided that exemption from 75% attendance will be given to those participating in prescribed co-curricular activities (e.g. R&R, NSS, Youth Festivals, Sports etc.) to the extent of 25% (making the necessary attendance as 50% in these cases). However, the claim for this exemption should be supported by authenticated certificate from the concerned college authorities/subject incharges.
4. Provided further that those getting the exemptions, except for those getting exemptions for co-curricular activities will not be entitled for getting the CCA marks for classroom attendance as given below.

Classroom Attendance Incentive :

Those having greater than 75% attendance will be awarded CCA marks as follows

| | |
|----------------|---------|
| > 75% but <80% | 1 marks |
| > 80% but <85% | 2 marks |
| >85% but <90% | 3 marks |
| >90% but <95% | 4 marks |
| >95% | 5 marks |

ACCUMULATION OF CREDITS (NEW PATTERN)

At the end of the programme, if student successfully accumulates 132 credits he/she will be awarded UG degree as per the rule laid down by HP University Shimla.

GRADING SYSTEM

HP University follows 10 points grading system. The candidate after successful completion of specified programme of study is awarded grades/grade points based on his/her performance as follow.
